WHILE WE WERE BOYS IN SCHOOL

'Laughter the best medicine'

When we were in 8th Class, we were given permission to visit Patiala for an outing. We were placed under the supervision of a new teacher who stayed in PPS only for 3 months.

Once we reached Patiala, we got on our own and beyond the control of our hapless escort. We saw two movies and while returning bathed in the Nabha Patiala canal. While we were to report back to school by 5 PM, we were able to reach Rohiti bridge by 7.30 where our teacher was waiting for us. He gave us a sound thrashing.

When we reached the school, **Mr. Y. P. Johri** was anxiously waiting for us. He was in a terrible mood. But when he questioned the new teacher on the reasons for getting so late, the new teacher replied to **Mr. Johri** in such a broken and hilarious English that **Mr Johri** started laughing. We were given a stern warning and our future picnics were banned.

The School Gave Me This

Joining the school in 1975, **Miss Malkani** received us and allotted us the House and Class sections. I still got vivid memories of "Look Listen and Learn" series, our turban being tied by Shri Balbir Singh Ji. With Sunday pocket money the choice was between T.T. balls and packets of biscuits. Between friends we could share biscuits and also play cricket with TT balls. ("Oye" ! don't do Watta ball !)

We were woken up by the sweet voice of **Miss Malkani**. "Get up ! you Lazy Bones"-Said she rubbing her left fist in her right open palm.

The School auditorium showed us many feature films and Daku Military (Documentary) films. A long serpentine line of students used to start from Junior School to Senior School via Hira Mahal Colony. Before the film and during the breaks, one could enjoy the animated shadow features on the white screen along with torch lights following each other.

Living with the Hira Singh Ghost.....in white clothes was also a great experience. The memories of the "Grace", "Preps" and the tea time".....Tor Diya....." are still fresh.

The School gave me **Love**—when my parents came to meet me for the first time, they were sad while leaving. But **ME ?!** I ran inside with the "Tea Bell", "Bye byeing them en route. I was the "best bugular". The school taught me to **Speak**. I was judged best in Punjabi extempore speaking. The School gave me **Sport**. I was the School tennis champion and Tennis Captain, (I am not boasting, the School gave me all this). The School gave me **Courage**. I got the Chief of Army Staff's Commendation while fighting ANEs (Anti National Elements) in the Valley.

With all this, I am proud to be from the School which always moves "ONWARDS AND UPWARDS".

- **Maj. J.S. Dhaliwal** (S-414) PPS (75-83)

Royal treat

The Editor was overjoyed when he came across **Mr. O.P. Bhatnagar's** (Ex Hindi) letter (published in the last issue of The Eagle).

I was fortunate enough to have **Mr. Bhatnagar** as my House Master in 1970 (Middle House).

Once, when our parents came to drop us (me and cousin **Rajesh Pal (J-189)**), it was a bit late in the evening. Our parents felt that as the supper bell had already been sounded, their children may go to bed hungry. So they sought the House-Master's permission to take us to an eating place in the town. **Mr O.P. Bhatnagar** very politely and equally firmly, declined. He sent our parents away after assuring them that they need not worry on this count.

Then **Mr. Bhatnagar** took us to his residence (at the back-side of dormitories) and ushered us to his Dining Room. We were thrilled to be personal guests of **Mr. & Mrs. Bhatnagar** for dinner. We felt **ROYAL**. The incident is so dear to me that even after a gap of 30 years, I still remember what dishes were served to us.
