

Good Idea

I have been wanting to write after having come back from Poona, having seen my father off on 20th Jan. I want to thank all the Old Nabhaitees for all that they have done for Daddy. I really was very touched when I saw the response and the letters from the old Nabhaitees.

I was glad to see a copy of the ONA News Bulletin. It's a good Idea, do keep it up.

For the last 3 years we are in Goa. My husband is working with Chowgules. Any Old Nabhaitees in or around Goa are most welcome.

Sound Advice

It was a pleasure to be contacted as an old Nabhaite. I suggest that we.

Help the distressed; Therefore kindly ask if anyone is in need of help whether for a job or money or a loan etc. He could then be put in touch with a volunteer who can & wants to help.

An ONA fund: could be built up with donations which could be used for helping ON's or their children if needed; and running the ONA magazine.

I would personally like to see ONA as a strong & effective organisation helping the ON's & ONA members.

I close with best of luck to you all & hope we can make ONA a success. Good luck, God bless & we are all with you.

Nostalgia

It is a matter of pleasure to all Old Nabhaitees, that the ONA has been activated. I would like to congratulate each and every gentleman who took the initiative of forming up the ONA. It is a matter of great pride for all of us that the ONA will always remind us of our alma mater.

When ever we go on courses and other trainings, we always look forward to meeting an old nabhaite. Eight years have passed since I left the school, but the memories are still fresh. In Mar'82, I had visited the school, when I saw the boys running around it seemed as if I was still in the Dharam Vira Park.

Full Marks

I was really delighted to get the first issue of the 'Old Nabhaitees News Letter'. Full marks for the job well done. I am sure that with people like you around and with the active support of other Old

nabhaitees the old bonds will be strengthened. This will go a long way in helping to set healthy traditions.

Pat on the back

I received the ONA news bulletin a few days back. I was overjoyed by the thought that there is still some one who cares for the old Nabhaitees. I am thankful for this news bulletin and also pray for the success of this association which has been brought on to the road by a few selfless persons, as you, the office bearers.

Business with pleasure

My Dear Jashanjot,

It was a pleasure meeting you & other Nabhaitees at the Founders & to know that the Old Boys still retain so much affection for the school & their teachers. I realised that the most rewarding experience for a teacher is the love & regard he receives from his students, especially the old ones. It is a unique experience in a world that is otherwise so impersonal.

I also want to express my satisfaction at the manner in which the Old Nabhaitees have taken up the cause of Mr Kate. The Association needs to be given a positive & purposeful direction apart from the fun & pleasure of meeting old friends.

Fund raising will become a permanent part of ONA's work. It is the practice in many schools, colleges & universities the world over for old alumni to collect funds for the alma mater & their staff. In times of need, teachers especially, can fall back only on their old students for help.

Still a Bum!

I studied at PPS from Jan. 69 to Dec. 75. I am still a hardy bachelor. Regarding achievements, I think its good a thought to say that I've become a Captain.

I'll be sending the required fee soon, as & when I come out of backruptcy. I think for the present it would be good a donation if I give the addresses of few other nabhaitees whom I know.

Well, I think that's enough for once. Hope to see you this year.
